

Mercure LAVASA

Mercure LAVASA

About Lavasa

Come experience a whole new vision of living at the Hill City of Lavasa. The first city in India to be built under a Public-Private partnership, Lavasa offers the best of urban amenities, leisure activities and opportunities in an eco-enhanced environment. The Hill City is situated amidst the Sahyadri Mountains, along the shores of Warasgaon Lake. A fourth of the size of Mumbai, the city is leading the New Urbanism movement in India. It offers a dynamic swirl of opposites. Here tranquility is never far from a cosmopolitan lifestyle, technology co-exists with nature and spiritual experience complements an enterprising spirit. Life at Lavasa is truly life in full.

About Mercure Lavasa

Through the window from every room is all together a different world, offering never ending view of the lake front and a unique eco system which is intact. Based on principles of new urbanism, and located in a cosmopolitan city of Pune, the township is master planned with the objective of striking a balance between international architecture and nature friendly settings.

Mercure Lavasa with personalised international hospitality and home like experience adds another leaf in one of the world largest brand of midscale hotels.

Stay at Mercure Lavasa is unified with essentials in relaxed living and greenery expected from a leisure destination, all planned to satisfy the senses. The 130 rooms are fully air conditioned and equipped with all amenities chosen to give a homelike feel on every visit.

Mercure LAVASA

Mercure LAVASA

Leisure at Lavasa

Due to its unique location, a day spent at Mercure Lavasa has several interesting possibilities.

The Nature Trail: Step off onto the road less travelled and into another world. The vast wooded environs of Lavasa offer Nature trails through which our guides will take you.

The Thicket: Wander through the enchanting bamboo thickets of Lavasa. Find traditional healing plants, fruits in the forest, play peek-a-boo with rare birds and discover wildflowers.

The Bamboo Factory: Watch local craftsmen create bamboo handicrafts and pick up bamboo artifacts and souvenirs.

The Nursery: Buy saplings and learn about the eco-friendly practices of India's largest urban development project at our in-house nursery.

Lakeshore Watersports: Zip across the water at 70 Kms/hour or jump on the trampoline. Challenge one another on the Wibit or keep to yourself and go kayaking.

Xthrill Adventure Sports Academy: Challenge yourself through rappelling, rock climbing or team raft-building. Or take off on a para-glider across the Lavasa horizon.
